FARR AND FOORD.

Windsor --- Tommy Farr is tuning up for his forthcoming heavyweight fight at Harringay. Tommy is Welsh champion in the footsteps of Petersen and his opponent will be Ben Foord. Ben is South African, holder of the British and Empire Heavyweight titles.

SANTA ANITA?

California --- Forty five thousand fans crammed the famous track for the Santa Anita Derby. Twenty one starters in a forty-five ~~thousand~~ thousand dollar classic. From the start Brown Jade took the lead with Fairy Hill close behind. In the back stretch and coming home the order was the same. Fairy Hill is an outsider but looks good --- Sir Oracle and Ptolemy are pressing hard. One advantage about American racing is that they have a loud speaker to tell you who's winning --- so even if you don't know the colours you know exactly what's happening. Listen ---- You're telling me!
