ALSO COVERED BY

BARROW'S COVERAGE (Contd.)

Picket boat with relief crews. going out to water borne balloons.

L.S. Balloon on vessel.

C.U. skipper and mascot.

Vessel leaves the stage for duty.

INTERIOR CENTRAL CONTROL SCENES.

GENERAL NOTES. Last scene will have fot - accident to camera on boarding vessel.

Crews go out for a fortnight.

Vessels are ~~xxxxxx~~ moved and are moored on River. preventing

Doing excellent work for ~~xxxxxx~~ the laying of mines.

In this instance, Dutch vessels are being used.

Transferring' in normal weather conditions can be quite exciting and is very tricky (work too long to put over in detail)

This will cover Murray Neg
