

THRID FALSH

q/  
General Montgomery, in his headquarters train, is making a ~~an eye of interview~~ tour of camps to talk to the men he will ~~soon~~ <sup>be long</sup> lead in battle. The great general's inspiring personality has made a deep impression of all ranks. On this occasion he was visiting Canadians, brothers in arms of the Dominion regiments in the ~~mm~~ 8th Army. He ~~told them~~ to gather round.

What General Montgomery ~~is telling the soldiers~~ <sup>told them</sup> ~~at these~~ meetings is not for publication, ~~at another camp~~ ~~the general~~ ~~is~~ ~~equally~~ ~~enthusiastic~~ ~~in~~ ~~his~~ ~~audience~~ ~~to~~ ~~they~~ ~~gathered~~ ~~around.~~

~~But he has said~~ ~~clearly~~ ~~that~~ ~~victory~~ ~~is~~ ~~inevitable,~~ <sup>l k</sup>  
if not this year, then early next. Seldom has any commander been more enthusiastically served.

## MONTY ON THE FACTORY FRONT

Gen. Montgomery has made his first visit to a large factory.

He is supremely confident, but he knows that ~~it is a~~<sup>a</sup> strong ~~push~~<sup>spurt</sup> in the factories ~~that~~ is the vital thing now. A sustained pull to finish the job.

The General met here Geoffrey Chesshire, who was his groom in India and Egypt. Monty is blessed with the human touch of all born military commanders.

Awaiting him in the canteen was a great throng of workers who gave him a tremendous reception.
