1. TITLE: SOUTH PACIFIC—WHERE THERE'S LIFE THERE'S HOPE
2. In jungle centers or wherever there's G.I. life—there's Hope, and we do mean Bob. The man with the shovel nose, who has traveled over 80 thousand miles to keep soldiers happy, in highlights of his latest South Pacific tour, and something new, as Signal Corps cameras catch the master in a dancing mood.
9. Now, Bob's leading lady: Frances Langford.
15. Hope displays another member of his company—Patty Thomas, a welcome sight on any battlefield.
