SUBJECT TWO: A mighty carrier, part of the great U.S. Naval fleet protecting the landings of MacArthur's men in the Philippines- prepares to loose its power on the attacking Japs. open plane alongside carrier 13 ft) Among the carriers are 3 thirsting for revenge, carrying proud names, the Lexington, the Wasp and the Hornet.. namesakes of those previously sunk by the Japs in Pacific action.. Now, with their planes over the Philippines, they have a chance to settle old scores. Our forces at Leyte are threatened by Jap ships and planes. The U.S.S. Princetown is bombed. open thru plane sunk 23 ft) The Japs damaged the Princeton so badly she had to be sunk by her sister ships after her magazine blew up. open to next carrier 6 ft) On another carrier, damaged helldivers make spectacular landings. These are official Navy pictures. open to one wheel 15 ft) Watch the prop bite the deck. open animation 12 ft) While our planes strike from the air, Admiral Halsey's 3rd. fleet and Admiral Kinkaid's 7th. took care of the 3 pronged enemy naval attack, as shown in this Navy conception. open lite 16 ft) This was part of the greatest air-sea battle the world ever saw. It cost the Japs 62 naval vessels sunk or seriously damaged.. Slapsy Japsy will show us just how it was done. BONG!
