ROM BRITISH OFFICERSW:

Time looks back a thousand years in the head waters of Chinese mountain streams, where the straining muscles of coolies haul supplies to the harassed armies of Chiang Kai Shek. Only man power can make headway in this rock-bound country. Inch by inch the boats are dragged forward against the arms impossible current.

the roar of the rushing stream, as the Chinese of Forward, symbolical undauntable, however great the odds.

German prisoners in various parts of sections are already at work on housing schemes. Filmed here on the outskists of London they were preparing the ground for new estates. The Jerries are also to be used for much needed repairs and rebuilding. They knocked 'em down, they'll build 'em up.
