CHAIRMAN'S SPEECH FOR FILM

[194

Gentlemen, The Council of the Road Haulage Association meets today to do all in our power to save from extinction some 60,000 small businesses providing the livelihood of at least 100,000 working families.] [As you know, 19 out of 20 haulage businesses are small family concerns in which wives, sons and daughters play a part. No scheme of state ownership, however, perfect, could conceivably give the public the ~~neighbourly~~ ^{neighbourly} ~~human~~ ^{personal} and efficient service which has in the past made the independent road haulier so essential and useful to the Nation.
