21. SV THREE SUNDERLAND BROS. STANDING IN FRONT OF LORRY ARE ASKED IN OFF STAGE "WHAT WILL THE HAULIERS RECEIVE" CENTRE BROTHER ANSWERS: "Well that's what we want to know. My brothers and I started this business with one lorry in 1919. we put everything back into the business and by the beginning of the war we'd built up sixteen lorries.. 25

22. SCU DITTO: And We've kept them on war service during the past six years. (other brother speaks) Now we're told that our business is to be taken over by the government, but we're not told how. 18

23. CU DITTO: This business is a result of 25 years hard work delivering the goods ~~and time~~ and now we face the prospect of the work of a lifetime being thrown overboard and we start again where we began. 24

24. CU (other brother) We're like the bloke in the dentist's waiting room but we don't know whether the tooth will be pulled out with pliers or a claw hammer. length with title..... 263 12.
