When the great Manchester United came on to the field at Old Trafford supporters reckoned it a question of just how many they'd scored against Walthamstow Avenue, the Amateurs from London who are making soccer-history.

United had the wind, or rather the gale, behind them. Their outside-right Berry was prominent in the early stages and began the bombardment of the Walthamstow goal, which went on almost non-stop till the interval. From a Berry centre the ~~goal~~ keeper was charged into the net but the referee disallowed the goal.

There was only five minutes left of the first half when Manchester ~~er~~ scored through their young centre-forward Lewis.

United had the wind against them in the second half. Nevertheless it was mainly the inspired goal-keeping of Stanislaus Gerula that kept his charge in tact. Gerula comes from Poland.

Pluck earned its reward 15-minutes from the end. Amateur International centre-forward Jim Lewis put the ball in the net, equalising for Walthamstow.

Gerula was chaired off the field, hero of the afternoon for the sporting crowd at Old Trafford.

F.A. CUP 4th ROUND: SPURS DRAW WITH PRESTON
Deepdale

When the wind blew the referee's coin at ~~Deepdale~~
in was evident that the gale was going to play a big
part in what might otherwise have been a vintage cup tie
between two classic teams, Preston North End and Tottenham
Hotspur. England outside-right Finney required three men
to look after him most of the afternoon. But it was the
Londoners who opened the scoring, and in a most unusual
way. A corner was taken by deputy outside-left Withers.
He cleverly allowed for the wind and it went in the Preston
net.

Eight minutes after the Spurs' goal, Preston equalised.
Spurs' left-back Willis brought Finney down from behind.
The referee gave a penalty. Three times the wind blew the
ball from the spot before Finney scored. A draw seemed the
just result.
