

QUEEN JULIANA PAYS A VISIT

2

Prince Bernhard piloted the ~~Dutch~~ Royal Dakota to Hendon airfield when Queen Juliana and he dropped in for a one-day visit to London. Her Majesty had asked to be flown over Canvey Island, to see the flood devastation, but ~~an~~ fog ruled out that part of the programme. [From Hendon she drove to the Royal Academy whose President, Sir Gerald Kelly, escorted her to ~~see~~ the Exhibition of Dutch Paintings. For some weeks the collection has been admired by thousands of art lovers. Many people of all ages have appreciated here for the first time the great part played by the Dutch masters in European painting. As the main object of Queen Juliana's visit was to thank Queen Elizabeth for British help to flooded Holland, she ^vmotored to the Palace, ~~on leaving the Exhibition.~~
