In regard to the murder of the 6 English lads aboard the Lincoln bomber
 - because it was murder - surely none would have thought it would have
 been any question of a meeting between the Big 3, and until we receive
 an apology and compensation for the families of the slaughtered men
 totalitarians of human life.

In regard to the murder of the 6 English
 lads aboard the Lincoln bomber -
 because it was murder - we certainly
 should tell the Russians that we
 cannot possibly be fobbed off with
 these childish falsehoods. Surely
 I should have thought there could
 be no question of any meeting between
 the big 3 men.

Good night
