

TO MAKE AN IMMEDIATE SURVEY OF THE HURRICANE DAMAGE ON THE COAST.  
THE ENTIRE FLORIDA CITRUS CROP IS BELIEVED TO BE ENDANGERED  
BY THE STORM. LAST YEAR'S HURRICANE WAS ESTIMATED  
TO HAVE DESTROYED 10 MILLION BOXES OF CITRUS FRUIT.  
IT IS FEARED THAT THE LATEST STORMS WILL CAUSE FURTHER SERIOUS  
LOSSES AND THAT GREEN FRUIT WILL BE BRUISED AND DAMAGED.

### JAPAN'S CROWN PRINCE ARRIVES

3

A Press Conference was held on board the Queen Elizabeth by Crown Prince Akihito when the ship docked at Southampton. After sleeping aboard the Prince gave newsreel interviews next morning. Few people would have predicted years ago that the young man would be a welcome visitor to Britain but if peace is to be more than a name the enemies of yesterday must be friends of today.

On this historic arrival all said welcome to the young Prince.
