

WALES BEAT FRANCE

Second half at Cardiff. France ~~was~~ playing from left-to-right. No score so far. Better play at forward ~~line~~ enabled the French to half-paralyse the brilliant Welsh back division.

29 France deserved the lead when Bouquet just got over, ~~on the~~ ~~right~~.

Vannier made a hopeless mess of the kick at goal. Otherwise he gave a perfect exhibition of full-back play.

78 Just when it looked like defeat for Wales ~~the~~ Brace cross-kicked over the French line. The Neath forward G. D. Willaims managed a touch down just inside the dead ball line.

98 G. D. Owen, the full-back, kicked hard and true, securing the goal points that gave victory to Wales, 5-3
