

At the Schloss Seefeld, Bavaria, European royalty for a few hours turned back the pages of history. To this seat of the Toerring family, 72 relatives (all connected with past and ~~the~~ present royal houses) came to the marriage of Countess Helena Toerring-Jettenbach and Arch duke Ferdinand of Hapsburg. Ex-king Umberto of Italy was one of the guests; so were the Duchess of Kent and her daughter, Princess Alexandra. The Duchess is an aunt of the bride. Countess Helena is 18; her husband 37.

~~Helena~~ nephew of the last Austro-Hungarian Emperor.
