

MOTOR CYCLE SEASON IN FULL SWING

Lewiston, Idaho. The 16th annual hill climb. An 80-yard race against the clock, with gravity scoring most of the points.

More ways than one of saying farewell to the saddle.

Over to Germany. Near Mannheim. The International 500 c.c. combination race. No matter how good the bike, how brilliant the rider, what they must have is an acrobatic, stick-like-glue-in-any-position man in the sidecar.
