

KONDYLIS FUNERAL.

221

King George II, lately voted back to the throne of Greece, took part in the last sad ceremony of the funeral of the man who brought him back. General Kondylis, Dictator and King Maker in turn, survived the restoration of the monarchy only by a few weeks. Athens mourns the <sup>loss</sup> ~~passing~~ of the chief political figure of the year that is past.

BRIDGE.

Washington says good-bye to an ancient bridge-- Port Angeles. Supporting timbers removed, a cable gave the final touch to a spectacular fall.
