

FULHAM v. DERBY COUNTY.

Fulham had an attendance of 37,000 at Craven Cottage for their match against Derby County --- Fulham being the team in ringed jerseys and black shorts. There was no score up to half time, and then came a thrill. Fulham's outside right centred the ball to Arnold and Arnold crashed it in with his head --- ball, head and Arnold nearly going through the net together. Then the London club went further ahead with another smashing goal. The Fulham notched a third --- Arnold took a corner and Smith shot --- Fulham three Derby County nil.

ARSENAL v. BARNESLEY.

60,000 spectators were at Highbury for the tie between Arsenal and Barnesley --- Arsenal the team in hoops and black shorts. In this match there was some rather ragged play but in the pot shots at goal it was the Barnesley goal that suffered. Bowden took the ball into the danger zone and Beasley sent in the first one. At half time this was the only score. Then Bowden crashed his way through to put in a second one for the Arsenal. A foul by one of the Barnesley lads gave Bastin a penalty kick and he scored the third. Just before time the ball went again to Beasley and Arsenal won 4 - 1.

ALDERSHOT.

Variable fortunes and variable weather met the soldiers at the spring meeting at Aldershot. Sometimes it was dull and cold, but some found it quite warm near the equator. There was some fine riding to be seen at this amateur meeting, and also some rapid dismounting.
