

HORNCHURCH AIR DISPLAY.

Aerobatics with a smoke trail you have seen before and now we are taking you up with these Bulldog fighters to see from the pilot's point of view how this difficult flying is performed. With the co-operation of the 54th Squadron Gaumont British News have secured some of the finest aerial pictures ever taken --- not counting the Cup Final. They're preparing at Hornchurch for their At Home Day to the Public and now we're going into a roll --- so hold your breath.

Now let us take you across the Atlantic to see what they're doing in America. The United States Flying Marines are on Spring Manoeuvres.

And back to the Continent where French and American daredevils are diving, looping and flying upside down.

LADIES BOWLS.

Ladies of the Licensed Victuallers Women's Bowls Association met at Northumberland Hall Manchester for a red-hot match --- and as we bowling men say ---- there's nothing like one from the wood.
