

INGOT AT SHEFFIELD.

262

When the Lord Mayor of London paid a visit to Sheffield he watched the cogging of a steel ingot weighing 120 tons.. An impressive sight, although it was by no means the largest ingot cast there.

NEGUS IN GENEVA.

The Palace of the League of Nations --- Mr Anthony Eden hurries in and the Black Emperor is there too, but he's in no hurry. \* Addressing the League, Haile Selassie was shouted down by Italians, but in his speech he asked if the Statesmen of the world were going to create the terrible precedent of bowing to force. What answer would he give his people when he returned to Abyssinia?

LONDON UNIVERSITY CENTENARY.

St Paul's --- the service of the centenary of the University of London --- The Earl of Athlone was present in the unusual procession which wound its way up the prosaic slope of Ludgate ~~stairs~~ Hill towards the city's great Cathedral.

SCHMELING.

The giant Zeppelin Hindenburg after battling with the Atlantic weather landed at Frankfurt to bring Max Schmeling safely home --- Max now being Public Hero No. 1. As he came out onto the ~~XXX~~ verandah to acknowledge the cheers, his film star wife Anny Ondra also gave coy recognition .
