

SEMPACH BATTLE ANNIVERSARY.

As long ago as 1386 part of Switzerland fought a war of independence and now 550 years later they're celebrating the victory. It makes a pretty scene, but in those days, of course, even a battle was pretty. If we have another war there won't be anybody left to celebrate anything.

ROLLER SKATING.

Roller Skating and how it should be done --- taught as part of the curriculum in this school at Frankfurt. ~~Notice how carefully~~
~~you should skate.~~ If you go skating in a white frock you have to be good, otherwise everybody on the way home can see just where you went wrong.

BALLOONS. RACE.

Denver Colorado --- The National Balloon Race nearly ends in ~~disax~~ disaster before it starts. A typical Western dust-storm sprang up unexpectedly and the crews fought to save the gas bag from destruction. When the wind died down they made a midnight start --- and the winning balloon covered 385 miles.
