

PALESTINE RIOTS.

271
The war in Spain has overshadowed the trouble in Palestine but in the Holy Land there is still disorder. Train wrecking is the latest ~~device~~ weapon of the Arab terrorists --- the crack Haifa express was derailed with a toll of many killed and injured. R.A.F. planes, tanks and infantry now escort every train --- ambush and barricade meets with a rapid fire reply from British troops --- a fusillade of bullets clears the hill from snipers.

SWISS DRILL.

The craze for mass displays extends to Switzerland --- 22,000 performers cracked their ~~knex~~ joints in front of 100,000 spectators. 22,000 Swiss all doing the same thing at the same time. Let's go before they all decide to yodel.

GLASS VIOLIN.

Here is a man who has invented a glass violin. I don't know why, but I suppose he just wanted a glass violin. It isn't any worse than any other, but the trouble is if the light goes out you're apt to strike a wrong note.

MODEL POWER BOATS.

Model Power Boats raced on the Park lake near Herne Hill with the speed of the wind and a noise like a gnat crooning. ~~Some of these~~ Among the crowd were some who use the lake on other days and they were rather put out about it. But the best of racing comes to an end. All right, Freda --- we can cross now.
