

GIRLS ON FARM.

275

Charming land workers gather bumper crops in their workman-like shorts. - We often wondered why men got hay-fever! There may be something after all in sowing wild oats!

~~PARIS PEACE CONFERENCE~~

YODLERS.

Over a thousand Yodlers and Alpine horn blowers made a picturesque sight when taking part in ^{their} the annual competition.

MOTOR CYCLE HILL CLIMB.

Australian Motor Cycle fans see their favourites do some hair-raising runs at Bardon Hill, the greatest test for cycles in Queensland.

CHIMNEY FELLING AND MARKET PORTERS.

Royal Engineers carefully removed a house and chimney at Lyme Regis for the benefit of visitors who prefer to see a Bowling Green and Tennis Courts in their place. The effect of the explosion was felt as far as London, where the Borough Market Porters are practising for their annual sports, which included a lesson in deportment. ~~When our cameraman got to work they came all over shy and fell on his neck.~~

And so ends our Hooving camera!
