BIGGEST BUDDHA.

Finishing touches to a 660-ton concrete image bring near to completion the biggest memorial in the world. To Buddha --- the placid figure 135 feet high will stand for countless centuries --- a symbol of Japan's worship.

FULHAM POWER STATION.

Rich
Fulham's new Power Station has been ~~opened~~ completed at a cost of 2 3/4 millions and the first section ~~and its operation~~ has a capacity of 130,000 kilowatts. ~~I don't quite know how much that is but it sounds quite a lot of kilowatts.~~ Thus the Mayor opened the new electric wonder. ~~KIDS BOXING.~~

KIDS BOXING.

They do a lot of big boxing in New York City --- and here's a juvenile display sponsored by the big city's policemen. Boys from the east side, Bowery and Brooklyn wanted to get tough --- and the cops let them get tough with each other.

SHREWSBURY FOAL SALE.

The annual sale of mares, foals and unbroken colts --- a breath of the country come to town. These foals look so appealing you feel you want to buy them all. What a lovely action! I'll ^{buy} ~~make~~ the one with the whip.
