CESAREWITCH.

A huge crowd thronged Newmarket Heath for the great Cesarewitch although rain was falling and the light was poor. Quite a good start brought Weathervane, Greynam, Jack Tar, Fet and Pluvier Dore into the lead, ~~and~~ with Avondale, Cho-Sen and Woodstock well placed. At the Bushes Fet was leading from Greynam and Jack Tar, with Near Relation coming up. This race has never been won twice by the same horse, but this ^{time} ~~year~~ it looked as though ^{Last year's winner} Near Relation might do it. Coming up to the finish Near Relation put up a strong challenge but Fet kept his nose in front to win by a neck, with Greynam third.
