

HAY DIET.

Many people think a Hay diet is what horses live on, but actually it's a formula invented by Dr Hay to build up Class A men and women. In other words if you divorce the Roast Beef ^{of Old England} from the Yorks and two veg. you return to the office full of rude health and tell the boss what you think of him. On the other hand if you go to a place like this and fill yourself up with stuff like this you ~~turn~~ ^{turn} ~~back~~ ^{turn} ~~to~~ ^{turn} ~~was~~ a funny shape and make peculiar noises.

GIANT CRANE.

The latest method of launching a 75-ton boat --- by means of a giant crane. The Dock is called Cockatoo Dock, the crane is called the Titan, but the boat shouldn't be called anything at all, because nobody broke a bottle.

MISS JENNS.

Married from ^{the} W.R.Hearst's Castle in Wales --- Miss Jenns of Hollywood, ~~was~~ ^{the} the bride of Harry Crocker, one of ^{the} Hearst's bright young men. Marion Davies was a bridesmaid. ~~Mr~~ Mr Hearst is the great American newspaper man and he gave the bride away. What will the newspapers give away next?

MILLIONTH PHONE.

One million telephones --- that is the number proudly achieved by London subscribers and P.M.G. Major Teyon made the presentation of the millionth one to Lord Mayor Sir Percy Vincent.
