

VARSIITY RUGGER MATCH.

Cambridge in ringed jerseys met the Dark Blues in one of the greatest battles ever fought at Twickenham --- a grand spectacle in spite of poor light, rain and seas of mud. The game was one of the most ~~vi~~ vigorous seen for many a year --- the two sides evenly matched and battling every inch of ground. First blood came to Oxford --- Dark Blue forwards had the ball and Renwick went over ~~for~~ the line for a try. Now watch Brett convert three points into five. Oxford five points up in less than half an hour, but Cambridge rallied. Out on the left a clever passing movement gave the ball to Wilton who flung himself over the Oxford line --- 5 - 3. The kick failed and Oxford still led five three. But before half time came a wonderful solo effort. J.A.Macdonald, wing three for the Cantabs got the ball and fooled everybody in sight --- a brilliant piece of tactical football took him over the Oxford line and Cambridge won 6 - 5. The kick at goal failed again but that didn't matter. They didn't even mind the mud.

U.S.FOOTBALL.

And now America --- the Army and Navy match is the big occasion of the football year --- and no less than 102,000 fans packed the Philadelphia Stadium. Big shot arrivals --- the Navy's mascot goat, followed by the Army Mule. Spectacular pictures from the air show the stadium just ~~be~~ before the game commences. And now --- the Army kicks off and the game is on. At first the game was even --- Army and Navy making their yards off ground alternately only to be pulled back. But then the navy went ahead, finally knocking up a score of 7 to the Army's nil. Watch this ~~is~~ last effort. Ingram Navy sent up a forward pass --- the catch was fumbled but interference ruled against the Army and the pass was allowed. Navy won for the 2nd time in fifteen years. ... this is Navy Day.

~~They were at the goals xxxxxx they were getting the goalposts and they~~
