

JULIANA.

312

Holland --- excitement is wicking up to fever pitch as the time for the royal wedding draws near. One essential part of the ceremony performed at the Hague was the registration --- and Princess Juliana went with her fiancée Prince Bernard to the Town Hall where they assigned their names. ~~Every appearance they make in public is a cause of wild enthusiasm.~~

PUMPING COW.

Rushville --- here they have a cow that knows how to help herself when she's thirsty. Needless to say, Rushville's in America!

POSTMAN.

Florida --- so many people write crazy letters to those dizzy bathing belles that the the postman's got crazy feet. It's a good job he isn't the man from the off-license.

AIR CRASH.

Selsey --- The wreck of this plane in Sussex was sequel to a sky drama seldom equalled outside the pages of fiction. After landing her pilot companion in France with a bullet-w und in the neck, a French airwoman flew the Channel and crashed on a farm. Police officers later brought her to London.
