~~PROCLAMATION~~ PROCLAMATION.

Manohar

~~Rangoon~~ --- from the farthest corners of the Empire we have received pictures of the ceremony of the proclamation of King George VI. We choose this at random --- a stately scene from across the world that comes like an echo of Britain's loyalty to the new King.

JULIANA AND BERNHARD.

Time Name

Every street of every town in Holland is decorated, and the whole Dutch nation rejoices at the wedding of Princess Juliana of the Netherlands, to Prince Bernhard Zur Lippe Biesterfeld. We too wish them luck, and all happiness in their new life together.

WETHERED WEDDING.

London -----Crowds gathered in Hanover Square to see the wedding of the greatest lady golfer in the world --- Miss Joyce Wethered became the bride of Sir J. Heathcoat Amery. In spite of poor weather, a lot of people ^{turned up,} ~~came to wish them well,~~ ^{though} not so many as there might have been. The wedding took place at St George's Hanover Square, but some made a mistake and went to St Andrews'.

DE VALERA.

London --- Mr De Valera, ~~President of the Irish Free State,~~ left Victoria Station on his way to Zurich. Our sympathy goes with him, for he is seeking treatment for ^{the} ~~his~~ eyes, which have been causing him grave anxiety.
