QUEEN MARIE IN AUSTRIA.

Austria --- at the castle of the Archduchess Ileana, Queen Marie of Rumania paid a visit to her daughter and the ~~three~~ children --- Archduke Stephen, Archduke Alexander --- the smaller boy ~~in the white coat~~ --- and the Archduchess Marie.

MOTOR SAFETY DEVICE.

Wimbledon --- seeking a cure for that mounting toll of death on the road, an inventor has introduced a device which prevents a pedestrian struck by a vehicle, from being also run over by the wheels. The little boy was unhurt, and we hope the invention may prove to be of real value.

MEXICAN MOTOR COPS.

Mexico --- thrills by speed cops of the southern republic. In this country they can catch a criminal from any angle, and they look so picturesque the criminals are glad to go. ~~It'd be a pleasure to receive a speed summons from a policeman if he'd only stand in his head to do it.~~ Grand Finale --- Eighteen coppers went into a conference to find out what it was all about. Missed em!

STREAMLINE TRAIN. GOLDEN EAGLE.

Latest addition to the numbers of streamline trains. . . . . the L.N.E.R. Golden Eagle left King's Cross on its first trial run to the North. Destined to haul the Coronation expresses, the Golden Eagle is a worthy brother to the Silver Jubilee.
