

GEYSER.

Italy --- a new and exceedingly powerful geyser has started up in the Province of Tuscany. This ~~new~~ natural source of power is being converted into electricity. It is so terrific, it can throw a column of steam 400 feet into the air. It is the week's surprise item --- everyone thought that in Italy there was only one powerful geyser.

BARRYMORE DIVORCE.

Los Angeles --- ~~will you love me in September as you did in May?~~ John Barrymore and Elaine Barry were <sup>wed</sup> ~~married~~ only a few months ago; now Mrs Barrymore the Fourth wants a divorce. Let's hear what they ~~have to say~~.

*had to say when they got married.*
