

WEDDING.

335

Saltburn-on-Sea --- The wedding of Miss Peggy Kelly to Captain Hanley, ~~at the church of St. Andrew of London.~~ Hail the bride! She is the daughter of the Chairman of Middlesbrough Football Club, and on this happiest of days for her we could have wished her better weather. But her charm is proof against the worst visitation of the elements.

CORONATION CARPET.

Glasgow --- the largest loom in the world turned out the Coronation Carpet for the ceremony at Westminster Abbey. It is one of the largest carpets in the world, and takes ten men to carry it. Coronation Preparations in London are still going forward at full swing for the greatest show of all. Visitors are beginning to arrive, among them Mary Pickford.

WREAK BICYCLE.

Brisbane --- a bicycle of unusual design. It is claimed by the inventor that he can do fifty miles an hour with a cruising speed of 35. Compare him with the crack racers, pedalling the ordinary type of racing bicycle.

GIRL CYCLISTS.

Melbourne --- not to be outdone by Brisbane, these girls went back to the naughty nineties.
