

EARHART.

California --- With her publisher husband George Palmer Putnam, Amelia Earhart tested out her newest plane. The flight she proposed to make is one that has never been accomplished --- round the world by the Equator. For the hop across the Pacific Miss Earhart ~~propose to take~~ take a co-pilot, but for the remainder of the twenty-seven thousand miles she will be flying solo.

WEDDING IN THE TOWER.

London --- Yeomen of the Guard attended the wedding of the Honorable Joan Milne to Mr James Hart Rutland. The ceremony took place at the church of St Peter in the Tower of London, for the bride was the daughter of the Governor of the Tower.

SKI-ING.

~~at~~ Guilford --- Champions met at the ski-slide in New Hampshire, but they didn't all show championship form. <sup>pass it!</sup> ~~Butler~~  
it! And now watch this one come a header.
