

WEDDING.

London --- a brief glimpse of Earl Beatty and his American bride, Mrs Dorothy Sands. They were married at the Guildhall, in the City of London Register Office.

DIVER.

Wisconsin --- another new type of diving suit is going to be used to salvage the gold of the Lusitania, but most people would prefer to have the air-valves where they could see them. The suit is equipped with all the latest scientific devices, including a wireless set. If he gets bored the diver can listen to a talk about the ~~naix~~ perils of the deep. ~~XXXXXXXX~~

ARCHERY.

California --- On the rock-bound coast of Monterey debutantes thought of a new game --- archery on horseback.. We're sorry we can't give you ^{many} pictures of the girl shooting the arrow and hitting the target all in one, but they're rather scarce. ^{But it proves that while} ~~in~~ America talks of peace, ~~and~~ the blondes re-arm.

POLE JUMP.

Los Angeles --- Olympic champions took part in inter-state athletics, and Earle Meadows cleared 14 feet 4 inches. Next, his team-mate Bill Sefton cleared 14 feet, ~~six~~ six and a half inches. Meadows failed at fourteen-seven, but Sefton cleared it ---- the most amazing ~~lap~~ leap on record.
