DUKE OF GLOUCESTER AND HIGHLANDERS.

2
The Duke and Duchess of Gloucester performed many ceremonies during their visit to Scotland and among them was the presentation of Colours to the 1st Battalion Gordon Highlanders at Redford Barracks Edinburgh. At the new Government Offices at Calton Hill, the Duke laid the foundation stone --- and it was during this visit that the freedom of the city was conferred upon the Duchess.

Dawn on the Mersey --- the s.s. Duchess of York brought to Liverpool the contingent of the Mounties --- Canada's famous North West Mounted Police who always get their man. We welcome them to England --- more distinguished visitors for the Coronation.
