The first set ~~she~~ won 6 - 2, but the second she lost 2 - 6. In Jedzrejowska the British girl found ~~an~~ ~~opp~~ a rival of the toughest mettle who went down, but went down fighting. Excitement ran at fever pitch in the third and deciding set. Dorothy from 2 - 4 down pulled up to four all and five all. She won the set and match at 7 - 5. A world title for a wedding present, for she is to be married in the autumn. The world congratulates Dorothy Round --- and wishes her luck!
