

371  
CALEDONIA.

Foynes ---Completing the greatest commercial flight in the history of aviation, the Imperial Airways flying boat Caledonia came back from New York. Having made the westward flight in 15 hours nine minutes, ~~and~~ Caledonia made the Atlantic flight west to east in 12 hours <sup>5</sup> minutes.

SCRAP IRON LUNCH.

London --- Lord Dudley <sup>speaks</sup> ~~speaks at a luncheon~~ for the scrap-iron campaign. And so it seems that what used to be useless lumber now has become almost priceless.

~~XXXXXXXXXXXXXXXXXXXX~~ Even the skeleton of the poor old Crystal Palace has been pulled down as a piece of valuable property.

PARACHUTING.

New York --- the youngest parachute-jumpers in the world get ready for a novel take-off, ~~as they inflate their hot air balloons.~~ The latest way of flirting with death! What goes up must come down --- they hope.
