

PACED CYCLIST.

With a specially high-g geared bicycle, George Paillard set out to break the world's speed record for motor-~~motor~~^{paced} cycling. On the famous race-track at Montlhery he did it --- ~~and~~ he went so fast he finished up pushing the ~~motor~~ motor-cycle. But at ~~Brockton~~^{Brockton,} Massachussetts, there's a neck-breaking record. For years this driver ~~does~~^{has done} this to earn a living --- and still he goes on living. They call him Lucky Teter, because he 'll only be unlucky once.
