JAPAN - CHINA.

A Japanese Ambassador, His Excellency Hirosi Saito, puts to you the views of his country concerning the war in China

404

As he speaks the war goes on --- the Japanese drive into **ghapil**X Chapei preceded by terrific bombing.e It was the fall of this area that paved the way to the fall of Shanghai.

Now Shanghai itself has fallen. And speaking for China's point of biew you will hear Madame Kai Shek, wife of the Generalissimo.
