

HAIR FASHIONS.

435

A glimpse of the new season's fashions in hairdressing. It's always a new season for something, and this time it's coiffure. So this is how you will be dressing your hair to-morrow, if you get up in time. And now --- some new lines in furs. ~~xxxxxxxxxxxxxxxx~~
~~xxxxxxxxxxxxxxxxxxxxxxxx~~ Wraps worth fifty thousand pounds. It's not surprising they can't afford to wear much else. These glampour girls are always in the news..... and Britian had a contest for them. At Grosvenor House, these American lovelies met a team of British. These are the home-grown girls who are replacing their American rivals --- proving, of course, that British goods are best.
