

BARCELONA. PARADE.

449

Barcelona --- New recruits have been called to the colours of the Government Army. Some as young as seventeen years old joined in a parade through the streets of the city. Two new divisions have been added to the Government Defence Forces by these young men of Spain. Youth lines up, to meet death half-way
MANHATTAN AIR SHOW.

New Ydrk ~~our~~ our Roving Cameraman flew over ~~the~~ the city of skyscrapers to find out if the spring weather was making them grow. Modern equivalent of the topleless towers of Ilium --- the high spots of Manhattan. Spectacular flying and spectacular camerawork --- a gaddy trip round the world's highest building -- the Empire State.
