

DUKE OF KENT.

Twickenham --- the Duke of Kent called in at the new Fortescue House School at Strawberry Hill --- one of the Shaftesbury Homes. After greetings by the Mayor and the Chairman His Royal Highness inspected the boys, ~~who were fully conscious of their dignity under the Royal scrutiny.~~ Later on there was a display of physical drill --- but there seems to be such a lot of field and so little boy, ~~they look rather lost.~~ However, the Duke expressed his satisfaction with all he saw, and that after all makes it a great day for everyone concerned. 7

SKYSCRAPER DANCE.

Chicago --- Ben and Betty Fox are tired of crowded ballrooms, so here they choose to dance where there's plenty of space. Twenty storeys above the street --- one false step and the story's ended. ~~She~~ She ~~has to go to the sky~~ wants to dance her way to Heaven in his arms --- sister, you're practically there.
