OPENING OF GIRVAN BOATING LAKE.

Welcome sunshine greeted Provost Johnstone and party when they ~~they~~ arrived at the new boating lake and yachting pond at Girvan. In the midst of a large crowd of supporters, Mrs Johnstone declared the pond open. Police-Judge Hamilton called on Miss Jean Murray to make a presentation to Mrs Johnstone. The first boat to make a trip was occupied by the Provost and his wife, and then others of the official party followed. Besides a beautiful lake and pond, there is ample scope ~~for~~ for indulging in table tennis and a game of draughts.
