

SWIMMING GALA.

This afternoon in the Swimming Pool on the Marine Parade Folkestone an aquatic gala was held. For ordinary people it would have been just a swimming do, but anyhow this is it --- It started off with log rolling by W.C.Bradbourn. Another item was the veterans race --- 2 heats and a final. Next on the list --- the one length ladies' race. ~~Maybe~~ ^{Perhaps} you don't think ladies should be one length.

Now a daredevil display by the Misses Pauline and Mabel Kimberley. They are daughters of your friend and President. If they go through this in public, can you imagine what he makes them do at home? Finally, a mannequin parade. Lovely ladies exhibiting the latest in beach wear. Aren't they wonderful exhibitors?

SCHMELING - LOUIS.

New York went crazy for the Schmeling - Louis fight --- a purse of £80,000 for Louis the title-holder --- for Schmeling a purse of 20 per cent, and the chance of getting back the crown he once wore. (If Schmeling wins.) ~~Schmeling had beaten Louis once before --- this time he clinched his right to the title in an unprecedented come-back win. In this game of boxing, Schmeling is the new champion.~~ (IF LOUIS WINS.) Schmeling had beaten Louis once, but this time the Brown Bomber had his revenge. Louis is still heavyweight champion of the world.
