LAMBETH WALK.

So many people went to Lambeth Walk to greet Lupino Lane that he couldn't walk and had to be carried. But they were all there to thank him for putting the district on the ~~map~~ songwriters' map -- alongside dear old Tennessee and the June moon and blue heaven. They had to put up the shutters; they didn't want to smash any windows even if they cracked a few ribs --- they're doing the Lambeth Walk.

LAUNCH OF FIVE VESSELS.

When five diesel-engined cargo vessels had to be launched at Thorne near Doncaster, they decided to launch them sideways. It takes up less room and it makes more splash. The boats are 62 feet long --- and the launching of all five ~~took~~ took only 38 minutes!

Only thirty eight minutes --- but if they had made a mistake they could easily bring ~~them~~ ^{them} back.
