M.C., CAR CRASHING AND RACE.

Speed on the roads --- motor cycle aces from all over the world competed in the European Grand Prix. And what a picture they make--- dizzy, dangerous, death-defying speed. The winner was the English rider, White.

Here's a daredevil speed-king who lives by cheating death. Suicide Bob Hayes, at Norfolk in Virginia. He comes out of the frying pan into the fire, but his special trick is coming out of the fire into the soup.

In Pasadena the American dirt-track kings are racing --- 25 miles at breakneck speed and every yard a thrill. Wheel to wheel they fight out each desperate lap. There must be trouble riding, ~~in~~ and there is!

BRYN JONES.

~~to be going to introduce you~~

The Arsenal football team are ~~xxxx~~ training at Frinton, and ~~here~~ <sup>here comes</sup> their latest acquisition. £14,000 Bryn Jones, with Manager George Allison. In case you don't know, the player is the slim one.

Say something in clob!

~~AAA~~ More sport at Frinton --- young blood from all over Britain takes part in the annual Children's Tournament, including some of the Dress Reform Brigade. Everywhere you look you can see a hard game of tennis going on --- every point is important --- is he supposed to be umpiring? ~~his name is Fred Perry~~  
~~Fred Perrys and Dorothy Rounds. We hope~~
