

GIRLS' GOLF.

420
International

English and Scottish girls ~~not on this picturesque course~~
~~for the Fourth International~~ --- and here is the Scottish
captain driving --- Miss Stroyan, who is champion of Holland.
Now the English captain --- Miss Pemberton is already a county
player of note. These girls showed all the steadiness and
some of the skill of veterans. . . . bunker trouble was
overcome in the manner of experts. Scotland is the father and
mother of golf --- it seems to be the daughter as well --- the
English girls were beaten 4 - 3. ~~That in spite of the pulling~~
~~of Joyce Dickerson on the English side.~~ So the Stroyan Cup
was presented by the donor to the Scottish captain, who ~~is~~
incidentally ~~was~~ is his daughter.

Now tennis --- Budge and ~~Wako~~ ^{Wako} of America met Quist and
Bromwich of Australia in the U.S. National Doubles Final, and
the usual neck work was done by the spectators. The battle
was fast and furious but the spectators never got weary.

Now watch an exciting rally --- the Americans have their
backs to the camera but the Australians had their backs to the
wall and America won 6 - 3, 6 - 2.
