

SHELSLEY WALSH.

491

International Open Hill Climb --- And International aces  
at Shelsley Walsh <sup>in the Midlands</sup> ~~near Worcester to compete for the trophy.~~  
~~These cars are specially built for hills; and international cars.~~ ~~and~~ some of them  
look as though they couldn't get down a hill let along up one,  
but they surely do. But as these little ~~machines~~ machines of  
pent-up power scream up the gradient, follow them with out  
cameras ~~and~~

Almost unbeatable at this game is Raymond Mays --- He's  
No. 30. And ~~in~~ this time he won again!
