

HAIR FASHIONS. ETC.

504

Direct from Paris come the latest hair fashions --- the coiffures of to-morrow; styles that vary from nothing in particular to the Argentine a la Parisienne ~~and~~

The newest innovation is a time-saver -- evening style and sports combined --- remove the evening style and you look as if you'd just got out of bed.

Some outdoor fashions. Suede is going to be popular they say. Hats and coats all of the same soothing and seductive material even suede slacks. And a smart jacket for shooting or fishing or being hunted.

And lastly --- some new styles in watches. Gold and rubies for evening --- ~~steel with a manicure set for the morning after~~  
*ask a girl if she has the time and you can tell by the look in her eye*
