

# EUCCHARISTIC CONGRESS.

The eighth National Eucharistic Congress, which claimed thousands of devout Roman Catholics anxious to answer the call of their faith, ended at New Orleans. Cardinal Mundelein, Archbishop of Chicago, led an impressive procession through the streets on the last day of the Congress. The Cardinal spoke to Gaumont-Irish News on the solution to the present day difficult problems of the world, making a strong plea for peace. The Papal Legate left for a visit to Italy, and was welcomed by the American Ambassador in Rome, and by Cardinal Ascalesi of Naples. The American Cardinal received a great ovation and military honours by the ~~Italian~~ Italian Army, and boarded the U.S.A. ~~battleship~~ battleship "OMAHA" to pay a courtesy visit to her commander.

## ENDURANCE TEST.

At Rosamond Dry Lake, California, a thrilling air endurance record was made by ~~four~~ <sup>who took their lives in their hands.</sup> intrepid pilots. The regulations demanded refuelling and revictualling while the plane was in flight. Although they risked <sup>everything</sup> ~~their lives~~ in this dangerous and tiring escapade, the flyers did it twice- substituting a pilot <sup>each time</sup> in the middle of the flight. One pilot left by parachute while his relief arrived by ladder. So that's how they broke the ~~world's~~ world's endurance record for light planes- staying in the air continuously for 218 hours, 23 minutes, - more than 9 days up in the sky.
