HORSE SHOW.

New York --- at ~~Madison Square Garden~~ the horse show is an occasion for a men-and-women show too --- smart names on the social register came to watch this. These are the Royal Canadian Dragoons --- they will probably act as escort to the King and Queen on ~~their~~ their forthcoming tour of the Dominion.
QUEEN AT WOMEN'S INSTITUTE.

London --- the Women's Institute Exhibition at Westminster received a visit from Queen Elizabeth. It was an exhibition of handicrafts and her Majesty was much interested in the flax-spinning --- flax used here was from Sandringham.
MELBOURNE CUP.

Australia --- Society gathered on Flemington Racecourse for the big Turf Classic of the Commonwealth season --- the Melbourne Cup. Fashion society and beauty --- not always the same people. We've spent so much time examining fashion society and beauty that now the race is over. That was won by ^{an affectionate} a horse.
